

GERMANICA

The Communicative German Language Center
founded in 2011

Why should your employees learn german at GERMANICA?

- ▶ **language is the most important means of communication with other people**
- ▶ **your company is a global company and has German partners and/or customers**
- ▶ **your employees must therefore be able to communicate confidently in the German language, both verbally and written**
- ▶ **because the teacher is a German native speaker, who lives in Romania for more than 25 years and knows both cultures**
- ▶ **because the teacher has more than 20 years experience teaching German**
